

The Thrianta

Issue 26

AUGUST 2019

News Bulletin of the Thrianta UK rabbit club

Thank you for renewing your membership for 2019 and welcome to those new members of the club. With the renewal date being the 31 May it's pleasing to report that our numbers are 42, only slightly down on 2018.

With this issue I have attached an updated list of members.

You may like to check your details,
I have been known to make incorrect entries!

It's been very quiet regarding news and to quote Derek Medlock
"Thrianta - they are out there, but thinly spread".

Looking at the Fur and Feather I found that Paul Hopkins, Karen Chafer and Dave Pounder have been at the shows (apologises if I've missed anyone).

I did get to the Cheshire Agriculture and despite making an entry for the Great Yorkshire Agricultural was unfortunately unable to attend.

It was good to see in the Fur and Feather the photo of Karen Chafer following her success of Best Fancy with her Thrianta at the Worcester show in May.

The London weekend 12/13 October, at Peterborough, is again time for our AGM and it will be held on the Sunday at 11.00am.

If you have any matters for formal discussion please let me know by 16 September.

General issues of course can always be raised at the meeting and are welcomed.

One item for discussion is the question of changes to the breed standard. The BRC Breed Standards Committee has requested Specialist Clubs to submit their considerations.

(Continued on page 2)

Other matters for discussion, as normal, will be venues for Stock Shows in 2020. Your views and wishes are important, so please do not hesitate to let your secretary know.

Should you be unable to attend but have views on any matters please just let me know and I will raise your thoughts.

Attached with this news bulletin are copies of the 2018 AGM minutes and the Audited Accounts for 2018 for your consideration prior to the 2019 AGM.

Should any member wish to receive a copy of the 2019 agenda, it will be available 14 days prior to the meeting, on request to the secretary.

The next Thrianta UK Stock Show is to be held at The London 2019 and will be judged by Elizabeth Massey-Beeston.

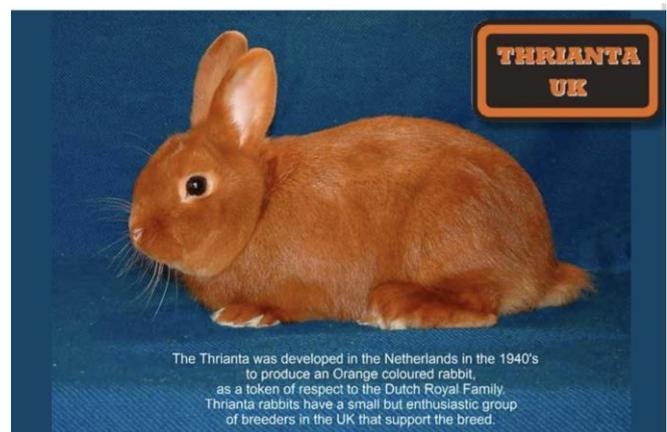

The entry fee for our 2019 stock shows remains at £1.00 block

Entry forms will be in the September issue of the Fur and Feather and the closing date for entries is the Monday 9 September.

Now in August, no doubt your Thrianta are showing some moult and with entries for The London being next month we are entering the gambling period, as regards what will be in reasonable condition for October.

I say 'reasonable' since a fully finished Thrianta for October is rarely achieved. Thankfully some years ago The London was changed from September to October.

Thrianta UK has booked the month of October for the 2020 BRC calendar which will be available from the BRC Stand at 'The London'.

For those of you considering the continuing difficult situations that our hobby finds itself in and now regularly reported in the Fur and Feather the future is challenging.

Many issues are not new and changes will occur, needing to be managed with consideration. One thing that I can say, having bred them for 20 years, is that my passion for the Thrianta has not changed.

Following 'The London' we will be holding a Stock Show at the Scottish RC Championship Show at Kelso on Saturday 26 October which will be judged by Philip Brasier

Fully embroidered sew-on Club Badges, measuring 110x60mm, are available at a cost of £3.00 plus 50p postage.

Rose Burgess our press rep would welcome any news, views and show results etc. from you for the Fur and Feather Club News.
