Brief News from the Netherlands

Their main show season began in October and of particular interest are notes of two local clubs having their annual shows;

On the 20/21 October 'Onze Langoren' held its Association Exhibition. Two top breeders, Wil Plasmeijer and Willem van de Ruit, entered 31 Thrianta. The judging was critical with only 7 being rated 'F'. The Champion was a 2016 Doe, from Wil Plasmeijer, scoring 96 'F'

On the 19/20/21 October the EWKC & PV held its Open Exhibition, this year being granted a district show's status from the Thrianta-Hulstlander Club. Three breeders from the region entered a total of 29 Thrianta. The judging identified a very wide range in quality. Unfortunately there were many 'Os', often a result of obesity. The winner in the 'C' class was a young buck from Edwin Broekhuizen with score of 95.5 'F'.

The big show news was the cancellation of the Champion Show at Nieuwegein scheduled for late January. This was due to a late notification with regard to the venue charges which the committee could not accept. An alternative show is currently being arranged at Hazerswoude, Boskoop on the 18-20 January 2018 with the Show Championship Status for Rabbits being transferred to the Noord Show. The dates for this show at Hazerswoude unfortunately coincide with our Bradford Championship Show.

The Noord Show itself has been affected by an outbreak, at the beginning of December, of Avian-Flu with a resultant ban on all Poultry and Water Fowl exhibitions. The Show is scheduled to continue with Rabbits, Cavies, Small Rodents, Pigeons and Small Ornamental Birds which results in a total entry 4469. The Thrianta entry is a very good 84.

On the 1 November came the sad news that Ben de Bruin had died aged 89. Ben was probably not a name well known here in the UK but a top breeder in the Netherlands who was held in high regard. He provided high quality stock for many to make a start with the Thrianta, including your Secretary.
